

Welcome Back to FridayTalks

What is Friday Talks?

- 2 x 10-min, every other Friday
 - With beer and pretzels
 - Special edition: Failure Friday
- Alternate between MvL6 and MPI
- Talk to people, not just LLMs!!!
- We aim to give overlooked ideas more visibility

Why should I give a talk?

- You need to advertise your work
- Basically a spotlight talk at NeurIPS
 - (60 groups doing AI research)
- Don't have to prepare too much
- Under submission or has been previously rejected?
- Or we will (~~hunt you down~~) approach you if we see you advertising on social media

How to sign up?

- fridaytalks.github.io
- Host / Session chair?
- Fill in the form, and just show up
- Nominate your colleague!

Questions and suggestions?
